

We want to thank our sponsors, exhibitors, members, moderators and panel members, for making our Fourth Annual Best Practices Conference a success!

---

We also want to thank our luncheon speaker Mr. Manuel Medina CEO of eMerge Americas for such a wonderful and innovative presentation. We look forward to the eMerge Conference that will take place on May 1-5, 2015 at The Miami Beach Convention Center.

---

Our attendees enjoyed a day with sessions that included topics such as; budget, ethics, sustainability, social media, legislation, homelessness, public private partnerships, transportation, and municipal solutions to housing. Our expert panel members & moderators were very informative and provided information, guidance, answered questions and kept the audience updated on the latest issues regarding the session topics. Below are the highlights of the day. Thanks again, and we look forward to your participation at our 5th annual Best Practices Conference next year!
